

STAYING IN A HOTEL IN THE LOGIS HOTELS GROUP IS LIKE BEING AT HOME

The safest place in the world is your home, and it's also here with us.
At Logis Hotels, we welcome you into our homes.

Because the health and well-being of our customers and our team are our only priorities,
we have adapted our operations accordingly.

You too, because we're all responsible,
can contribute to a safe and comfortable stay
by respecting the physical protection measures and arrangements specific to our hotel.

HERE ARE OUR COMMITMENTS

Our Covid-19 Contact has adapted the Authorities' directives to our hotel,
strictly controlling their application and ensuring they adapt to always ensure
the best conditions for your stay

Our team is fully trained and rigorously applies the improved procedures
and physical protection measures; team members must wear a mask and gloves

We post health instructions wherever they are useful

We ensure **social distancing** using floor markings, carefully organised traffic flows etc,
without disrupting the comfort of your stay

Our health protocols have been strengthened, in particular on **frequent contact points**
such as door handles, switches, lift buttons etc.

We use **cleaning products which are effective against Covid-19** and **eco-labelled**
wherever possible

We recommend **booking direct** so you can **pay remotely**, receive your receipt
by email and enjoy the ETIK© loyalty benefits

Your room and bathroom are rigorously cleaned and sanitised.
Bed and bathroom linen is washed at high temperature in accordance
with the Authorities' recommendations. Welcome products and additional pillows
are available on request at reception.

Your breakfast and **meals** are adapted and served protected,
for example in film, or under a cover, in your room or on the terrace (if possible).

Our Room Service card is available on the website or by email.

The best **proof of our commitment**: we take care of you
and your environment throughout the day, in front of you and in a totally transparent manner
